Volleyball is your passion, it's ours too! Top-Flight is proud to bring top-notch professional volleyball training and coaching for girls ages 10-18 to Las Vegas under the direction of accomplished professional volleyball player Deja Harris and her team of professionals.

Our Goal

The goal of Top Flight Volleyball Academy is to provide the greatest achievable volleyball experience to every athlete that is involved in our program – as a player, person, and student athlete. To achieve that goal, we strive to maximize the individual skill level of every player, and then combine those players into the best possible team they can be. We stress development of fundamental technical skills, learning to work together as a team, and personal habits that lead to success in any walk of life. It is of the utmost importance to us that we are excellent teachers and good role models for aspiring student/athletes.

Meet Deja Harris (Club Director/Director of Coaching)
